Let's Talk with Connecticut's Engineers

Plan to Join Us!

Make new connections, enjoy cocktails, hors d'oeuvres, dinner, a great program and good company

This is a unique opportunity to hear from the major engineers in Connecticut. Each of our guest firms has earned recognition in the engineering industry locally and nationally. Join us to meet and hear from individuals who represent some of Connecticut's most successful engineering firms in the areas of Utility & Transmission, Environmental, MEP, Transportation, Civil/Facilities and Water/Wastewater. The panel will touch on such issues as:

- What types of projects dominate the Connecticut engineering design community
- Where are the future opportunities in the public and private sector in Connecticut, regionally and nationally as the economy improves
- Where is the funding sources for these projects
- What are the greatest challenges for engineers in today's market
- Evolving hot spots in the industry

Panelists:

- **Burns & McDonnell Inc. - David Boers, P.E.**
- **Haley & Aldrich, Inc. - Tom Nolan, P.E.**
- **BVH Integrated Services Inc. - Greg VanDeusen, P.E.**
- **URS Corporation - Paul Schmidt, P.E.**
- **Dewberry - Fran Kobylenski, P.E.**
- **AECOM (formerly Metcalf & Eddy) - William Bent, P.E.**

Moderator: **Petina Killiany - ARCADIS U.S Inc.**
